

Vinosphere is a collaborative trade event from three of Sydney's most progressive importers and distributors – Enoteca Sydney, Vinous Solutions and Vintage & Vine. Each year we invite a number of guest importers, distributors and producers with the aim of making **Vinosphere** the most comprehensive quality focussed trade tasting of the year with a truly global outlook. Please join us and our local winemakers as we open around 400 of our best bottles.

All key wine staff are welcome.

Please RSVP to Vinous by Monday 11th May on either info@vinous.com.au or 02 9572 7285.
